& rain

" Small sea but dangerous
can blow you to the other
side - En Gev

Jordan
Zach
Mia Sachi

Fiberglass lasts 40 yrs.

Only fiberglass for 10 years now
\$10,000

Turkish coffee - special blend

Water: Banias, Dan,
into Jordan

Nablis in paper today trouble Arafat says "cause
a little trouble, not much"

Israel army said to Arafat "stop the trouble
or we bring tanks"

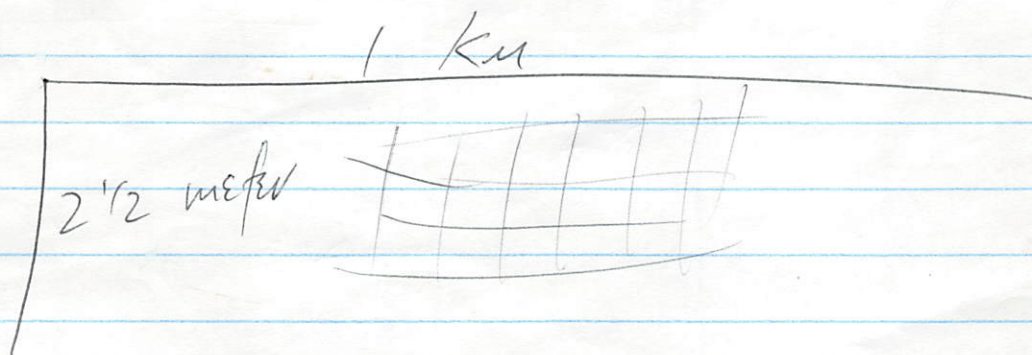

No problem for tourists

Police boat going along shore

2 nets

Nets very long 1 kilometer ~~half~~

Police stopped them for my license; they knew him

LICENSE	1000 SK	yr.
Men	350 SK	yr.
	\$4000	net

Moony comes at 45 min. later each
day

Synā wants north end of Galilee including Jordan River 10 meters into water.

Under Synā fishermen shot.

Gazelle at night drink

Jordan River shallow in summer
in winter waves too big to go

Big fish in Jordan - cold water, can't use net
it would sweep away

If water is up - boat to Banias

filled along another boat w/ 2 men tied to bush
turned on light to eat.

Picnic in boat - wind strong for 2 hours after
sun sets then calm & work until morning
